**ONE RAMP REOPENED, ANOTHER SCHEDULED TO
CLOSE AT I-89 SUNAPEE-GRANTHAM PROJECT**

The New Hampshire Department of Transportation announces the Interstate 89 northbound on-ramp at Exit 13 in Grantham has been reopened to traffic after a two-week closure for realignment and repaving.

The NHDOT also announces the I-89 Exit 12A southbound off-ramp in Sunapee is scheduled to be closed on May 13 for two months to allow construction work to be performed.

During the two month ramp closure, southbound motorists on Interstate 89 seeking to get off at Exit 12A will be encouraged to use Exit 12.

This work is part of road and bridge improvements to seven miles of Interstate 89 from Sunapee to Grantham. Continental Paving, Inc. of Londonderry, New Hampshire is the prime contractor for the \$17.8 million project.
